- Worked with team and client to definne job requirements, being allocated on the clients' companies
- Working with API's built in Node.JS and C# on the backend

PROFILE

I am a front end developer who runs on CSS, coffee and kittens. 3+ years experience on how to innovate and be creative when it comes to user-friendly interfaces.

HOBBIES & STUFF

I love to cook, video games, bike runs and working out. I enjoy some (not-so-casual) cup of coffee and oats. Yeah, I'm *that* healthy. I lived abroad in the US, I like animals a lot and once tried a DJ carreer (that's why I'm a dev now)
